For more information on our conferences and courses contact the CPD Team on: 0141 201 9264/9353/0674 or email: [Carolyn.Fraser@glasgow.ac.uk](mailto:Carolyn.Fraser@glasgow.ac.uk) or visit: [www.gla.ac.uk/departments/developmental/cpd/newcourses](http://www.gla.ac.uk/departments/developmental/cpd/newcourses)

The personal data that you supply during the registration of this event will be entered into a database and used by the University of Glasgow or its agents to manage your registration for and attendance at the events. Unless you advise to the contrary, in writing and in advance to the Conference Organiser, your name and affiliation may be made available in a list of delegates to both attendees at, and the sponsor(s) of the conference. The personal data in the database will be retained by the University, unless requested in writing to the Conference Organiser, and may be used to inform you about other appropriate services and events that may be organised by or in conjunction with the University.

Cancellation policy: Cancellations will only be accepted in writing. A refund, less an administration charge of £25.00 will be given to all cancellations received before 6th September 2010. After this date the full fee is payable, regardless if the delegate attends or not. Substitutions can be made at anytime. The organisers reserve the right to change the speakers and venue as required.

The University of Glasgow, charity number SC004401

Working Together in Diabetes

The 'Big 3' Conference on Obesity, Diabetes and CHD brings together leading experts who will keep you up to date with the latest evidence, knowledge and best practice – an essential learning opportunity for the busy health professional.

The day will take the format of presentations, lively Q &A sessions, discussion and case studies to make your learning informative and enjoyable too.

#### Why You Should Attend

- An opportunity to update your knowledge, hear the latest evidence and guidelines.
- Gain practical information and take home messages which you can implement in your work setting.
- An opportunity to share and exchange ideas and to network.
- Hear expert speakers and get all your questions answered.
- Meet your learning needs – Certificates of Attendance

#### Who Should Attend

The 'Big 3' Conference is particularly aimed at professionals working in the primary care settings although others with an interest are very welcome to attend –

- General practitioners and other doctors
- Practice nurses, nurse practitioners and other nurses
- Dietitians and nutritionists
- All other allied health professionals
- Public health and health promotion specialists
- NHS managers and policy makers
- Academics and researchers
