MEDICINE

Cardiothoracic Section Call for abstracts 2008/2009

The Cardiothoracic Section invites the submission of abstracts of case presentations to be made at the following meetings:

Surgery of the Aorta, Airway and Lung Transplant: Will you do it? Friday 21 November 2008

Deadline for submission of abstracts: 30 September 2008

Prize: - One year's membership of the RSM

Open to: Students or Cardiothoracic Trainees at any level

Rules of submission

The topic may cover any aspect of cardiothoracic surgery.

Case Reports relevant to the surgery of the **aorta, airway, lung transplant** or **training** would be particularly welcome.

The abstract must be clearly marked with the authors' names and institutions. A contact name, e-mail, address, telephone and fax number must be given.

Abstracts should be on one side of A4 paper double-spaced and not more than 250 words. Abstracts must be in MS Word format and may include a picture, figure or diagram.

You will be notified if your entry is shortlisted and invited to present your case report on Friday 21 November at the RSM

Abstracts previously presented at another meeting should be declared.

**Please send abstracts to the Cardiothoracic Section at the Royal Society of Medicine
by email only: cardiothoracic@rsm.ac.uk**
