***I agree to the conditions listed below:***

### **Scientific Responsibility Statement**

I certify that I have participated sufficiently in the work to take responsibility for a meaningful share of the content of this manuscript. This participation included:

1. conception or design of the experiment(s), or collection and analysis or interpretation of data;
2. drafting the manuscript/video or revising its intellectual content; and
3. approval of the final version of the manuscript/video/presentation to be published.

### **Exclusive Publication Statement**

I certify that none of the material in this manuscript/video/presentation has been published previously unless I have gained permission for republication, and that none of this material is currently under consideration for publication elsewhere. This includes symposia, transactions, books, articles published by invitation, and preliminary publications of any kind except an abstract of 400 words or less.

### **Permission to Republish Material**

I certify that if portions of this manuscript/video/presentation such as illustrations or graphs have appeared in other published material, I have gained permission to republish this material from the original publisher and that I have attached copies of these permissions to this page.

**Copyright Holder**

I certify that I hold the copyright to any images (illustrations, photos, graphs, etc.) and/or videos that appear in this manuscript/video/presentation and if I am not the copyright holder I have gained permission to publish this material from the copyright holder and that I have attached copies of these permissions to this page

**Conflict of Interest**

I affirm that I have no financial affiliation (e.g., employment, direct payments, stock holdings, retainers, consultantships, patent-licensing arrangements, or honoraria) or involvement within the last 3 years with an organization with direct financial interest in the subject or materials discussed in this manuscript/video, except as disclosed in an attachment. Any other potential conflict of interest is also disclosed.

**Copyright Transfer Agreement**

Copyright (including the right to obtain copyright registration, whether separately or as part of a journal issue or otherwise) in and to the above article is hereby transferred throughout the world and for the full term and all extensions and renewals thereof, to: CTSNet.

This transfer includes the right to adapt the article/video for use in conjunction with computer systems and programs, including reproductions or publication in machine-readable form and incorporation in retrieval systems.
